

## Combi kettle Metos Culino Combi 400S

### Product information

---

Artikelnummer	4215824
Productnaam	Combi kettle Metos Culino Combi 400S
Afmetingen	1560 × 1165 × 1220 mm
Gewicht	509,000 kg
Capacity	400 L
Technical information	400/230 V, 16 A, 2,7 kW, 3NPE, 50 Hz CW: 15 HW: 10

### Description

- heating energy: direct steam
- one time capacity for example 400 liters soup with one load. Gross volume: 433 liters, net volume 400 liters, boiling spare 33 liters
- material stainless steel, inner surface acid proof stainless steel (EN 1.4432)
- all around isolated (front and back): safe working and less energy loss
- powerful, strong and safe electric tilting by press of a button According to safety regulations kettle tilts only when tilting key is pressed
- lift-off stainless steel lid (does not brake down or become brittle), can be washed in a dishwasher or manually without stretching or overreaching
- temperature setting 0 - +120°C (setting accuracy 1°, maximum working pressure 1,0 bar, which corresponds to +120 °C inner surface temperature)

- numerical temperature display with one degree accuracy
  - strong, integrated bottom mixer. Mixing tool is locked on its mixing position without any extra accessories even when kettle is tilted
  - only one wide mixing tool for all kind of mixing: whipping cream, mixing doughs, 'browning' minced meat or meat pieces, mashing, gentle mixing, mixing speed 15-110 rpm.
  - four preset mixing programmes developed and tested by professional chefs ready to use for versatile food production (example: mashed potato with a press of a button)
  - automatic autoreverse mixing programme
  - according to safety standards mixing while the lid is open is prohibited in all circumstances. Double safety magnet improves work safety. Mixer stops in a second after opening the lid.
- Standard equipment:
- volume stick, mixing tool with removable scrapers
- Accessories for extra price:
- installation frames (sub-surface- or surface, handshower, strainer plate, safety grid lid, that allows continuous view into a kettle and adding water or ingredients while mixing, pouring adapter, timer, automatic water filling, cooling
