Description

The ice cream freezer Metos IC200SC is a spacious and easy-to-move freezer for the sale and storage of ice cream. Taking out ice cream is easy thanks to two glass sliding doors. Optional baskets allow you to customize the contents of your basin for your own use and taping to make your device look like yours.

Ice cream freezer Metos IC200SC net volume is 165 litres. Delivery includes one white plastic coated basket. It is possible to arrange a basin as needed, in different sizes, as an accessory available with the baskets. The thermometer placed outside the appliance shows the inside temperature of the basin. - Temperature adjustment interval

- 14°C...-24°C.

The inside of the freezer is aluminum, the outside is painted white. Tapes with a freezer and an optional illuminated visor give you even more expressive sales point.
