Description

The ice cream freezer Metos NIC100SCEB is a spacious and easy-to-move freezer for the sale and storage of ice cream. Taking out ice cream is easy thanks to two glass sliding doors. Optional dividers allow you to customize the contents of your basin for your own use and taping to make your device look like yours.

Ice cream freezer MetosNIC100SCEB net volume is 115 litres. It is possible to arrange the basin as needed, in different sizes, as dividers are available as accessory. The thermometer placed outside the appliance

shows the inside temperature of the basin. - Temperature adjustment interval -14°C...-24°C.

The inside of the freezer is aluminum, the outside is painted white. Tapes with a freezer and an optional illuminated visor give you even more expressive sales point.
