Afmetingen	570 × 530 × 657 mm
Gewicht	34,000 kg
Capacity	48 litres
Technical information	220-240 V, 13 A, 0,154 kW, 1NPE, 50 Hz, 45 dB
Type of the refrigerant	R134a
Quantity of refrigerant [g]	110

Description

The Metos UF50GCP placed on a table is a small and easy-to-move freezer for the sale and storage of ice cream.

Due to its compact size and white colour, the freezer can be placed in almost the space in the room. The inside LED light brings the products attractive and the glass door gives a great view into the cabinet. It is possible to tape the light foil above the door, for example, depending on the contents of the cabinet, whereby the freezer makes an even more expressive point of sale.

The freezer has two white, adjustable plastic-coated shelves. The net volume of the freezer is 48 litres.
Temperature can be adjusted between -12°C...-24°C. The self-closing door

is equipped with a lock.

- glass door with lock
