Pressure fryer Henny Penny PFE 500-8000

Product information

SKU	4206374
Productnaam	Pressure fryer Henny Penny PFE 500-8000
Afmetingen	483 × 990 × 1219 mm
Gewicht	140,000 kg
Capacity	25 L oil, 6,4 kg product
Technical information	400 V, 32 A, 11,25 kW, 3NPE, 50 Hz

Description

- Patented lid-lock system keeps lid locked until pressure reaches 1 psi
- Computron 8000 features 10 programmable cook cycles, load compensation, idle/melt/clean-out modes, proportional control, water detection alert, an optional filter prompt, customizable filter tracking and a 16-character digital display with multiple language settings
- Color-keyed locking spindle engages pressure seal
- Heavy-duty stainless steel fry pot
- High-efficiency heating elements generate fast recovery and energy savings
- Rectangular fry pot design promotes turbulence for even cooking
- Cold zone below heating elements helps extend oil life
- High-limit temperature protection
- Built-in filtration system
- Cast aluminum alloy lid is strong but light for easy handling
- Channel under lid directs condensation away from pot when lid is up

- Raised edge on deck reduces spills
- Stainless steel construction for easy-cleaning and long life
- 4 heavy-duty casters, 2 locking
- Computron™ 1000 control
  ,,- Programmable
  ,,- LED Time/Temp display
  ,,- Simple UP/DOWN arrows
- Max filter screen with standard filter media (2 PHT filter envelopes)
  Accessories and options available separately
