Description

A detergent tab intended for the fully automated CleanJet process for the Metos SelfCooking Center. When used regularly, the detergent tab removes all impurities from the cooking cabinet. The surfaces of the cooking cabinet will remain as clean and bright as a new oven for years.

- designed for Metos SelfCooking Center oven models that have the CleanJet Care tab dispenser (SelfCookingCenter units from 2004 - 10/2008 revised E onwards)
- designed for Metos Combimaster Plus oven models made after 04/2017
- strong alkaline cleaning tablet
- package contains 100 cleaning tablets
