Productnaam	Care tablet, 150 pcs, Metos CleanJetCare
Afmetingen	295 × 200 × 265 mm
Gewicht	6,000 kg

Description

A care tab intended for the fully automated CleanJet process for the Metos SelfCooking Center and iCombi. The care tab prevents limescale from forming, thereby keeping the oven and steam formed in the oven purer, improving food quality and extending the life of the appliance.

- designed for Metos SelfCooking Center and iCombi oven models that have the CleanJet Care tab dispenser (SelfCookingCenter units from 10/2008 revised G-I onwards)
- pack contains 150 packages, four tablets/package
