Food transport trolley Metos Thermobox K180 ECO

Product information

SKU	4216496
Productnaam	Food transport trolley Metos Thermobox K180 ECO
Afmetingen	525 × 770 × 1575 mm
Gewicht	95,000 kg
Capacity	12 x GN 1/1-65
Technical information	230 V, 2 A, 0,245 kW, 1NPE, 50/60 Hz
Type of the refrigerant	R290
Quantity of refrigerant [g]	350

Description

The Metos Thermobox K180 ECO food transport trolley is a flexible solution for cold storage and transportation of cold food. The trolley's efficient compressor cooling and good air circulation in the cabinet, ensure safe and high-quality conditions for storage and transport of food. The compressor-cooled K-trolley reacts more quickly to temperature changes than the C-trolley's active cooling and is a more recommended alternative, if, for example, the door is opened repeatedly during the storage period.

The trolley is insulated with polyurethane, which expands under high pressure and unites the trolley's construction and the inner chambers into a strong and well-insulated unit. The trolley's energy-efficient

insulation ensures safe and high-quality conditions for storage and transport of food.

The trolley can be used in small spaces. The trolley is easy to clean as its inside is completely made of stainless steel and has pressed GN guides without any joints. Large rubber wheels as well as bumpers and ergonomic handles around the stroller make the stroller easy to handle and light. The robust door can be opened comfortably by pulling the handle, which is integrated in the frame. The door opens to the side, 270 degrees.

- the capacity is 12xGN1/1, inner dimensions: 330x540x1000 mm, guide distance 80 mm
- temperature range +1°C...+9°C
- Ø160 mm wheels, two rotating with brake and two directionally locked without brake
- the wheel bracket is made of hot-dip galvanized steel
- the exterior of the blue carriage is made of ABS plastic
- stainless steel handle and PVC plastic corner + additonal handle included
- the bumper is made of galvanized steel and coated with PVC plastic
- Shuko connector connection, 1,5-2 m spiral cord and holder for plug
- can not be washed in a trolley washing machine, only hand wash

Accessories(charged separately):

- truck tow bar
- door with window
- two extra handles
- address card holders A4, A5, A6
- Ø200 mm wheels, two directionally locked and two with brake
- terrain wheels
- red or black color without extra price, own color, image or logo for extra price
- central brake
