Gewicht	67,000 kg
Capacity	a. 20 racks/hour
Technical information	400 V, 10 A, 5,0 kW, 3NPE, 50 Hz, 63 dB HW: 3/4" Drain: ø 30 mm

Description

Reliable Metos Master Aqua 50 is a basic under-counter dishwasher designed for using in professional kitchens.
It is easy to build around the dishwasher a dishwashing system for a small operation by using compatible tables, trolleys and other fixtures.

Dishwasher with a drain pump Metos Master Aqua 50PS, code 4246021, can be ordered in cases where the dishwasher cannot be connected to a floor drain. Now the wash water can be discharged into the washing counter sink.

A detergent dispenser dispenses the detergent for you and keeps the measure of the detergent always constant. Detergent dispenser for a liquid detergent is available as an option.

- two wash programs (2 and 3 minutes)
- max height for dishes 320 mm

- light signal for correct temperature in tank and in final rinse
- sound and heat insulated top and door
- easy to remove wash and rinse arms
- rounded edges in the tank facilitate cleaning
- water consumption 2,3 l/cycle (water pressure 200kPa)
- rack size 500x500 mm
- boiler 4,5 kW
- tank volume 29 l

Delivery includes:

- rinse aid dispenser
- basket for plates
- basket for glasses
- cutlery cylinder
- connection hose for tap water

Optional (to be ordered separately):

- stand
- detergent dispenser
- pressure boosting pump (to be ordered together with the dishwasher)
- extra racks
- pre-wash tables and basket trolleys
