

Meal transport trolley Metos Burlodge RTS HL tall

Product information

SKU	4262156
Productnaam	Meal transport trolley Metos Burlodge RTS HL tall
Afmetingen	1025 × 782 × 1715 mm
Gewicht	204,000 kg
Technical information	400 V, 11 A, 6,2 kW, 3PE, 50/60 Hz
Type of the refrigerant	R507
Quantity of refrigerant [g]	750

Description

- Single refrigerated Tray trolley
- Sub frame and chassis S/S AISI 304
- Top and front panels made from high impact thermoplastic
- High density insulation throughout
- Heavy duty bumper constructed from aluminium extrusion with wrap round a hard resin bumper
- Two ergonomic handles placed on control panel side
- Removable gaskets without the use of tools
- Chambers designed to be easily accessible and in compliance with hygienic standards (EN ISO 14159)
- Efficient vertical air flow ventilation, self contained with R507 refrigerant
- Condensation drain pan
