Deep frying basket Metos CombiFry GN2/3

Product information

SKU	4342320
Productnaam	Deep frying basket Metos CombiFry GN2/3
Afmetingen	354 × 325 × 50 mm
Gewicht	1,000 kg

Description

It is possible to prepare large quantities of pre-fried products without additional fat with the patented CombiFry. The patented griddled base minimises the contact of food and prevents the products from sticking together. Free circulation of air guarantees optimum, uniform browning and crispiness.
