Description

The Metos OptiMe Milk Cooler (white) is an accessory designed for Metos OptiMe coffee machines. The colors and design language of the cooler go well with the machine. Thanks to the milk cooler, you can make specialty coffees with fresh milk instead of milk powder. Thanks to the milk cooler, the container of OptiMe coffee machines with one powder container can be programmed for cocoa powder, thus expanding the machine's range of drinks

In the design of the OptiMe milk cooler, special attention has been paid to hygiene and easy cleaning. The device is quick to clean with a cleaning program according to HACCP standards.

- always installed on the right side of the OptiMe coffee machine
- tank capacity 4 liters
- allows combined dosing with fresh milk and milk powder
- lockable door
- the color of the panels is white

DELIVERY INCLUDES:

- a rack mounted on top of the milk cooler to store tea bags, sweeteners, etc.

ACCESSORIES (to be ordered separately):

- liquid Rinza detergent for daily cleaning of the fresh milk system

FACTORY OPTIONS (must be ordered with the device):

- panels in special colors (brown, red, pine, light oak, dark oak)
