

Charcoal grill Metos Parilla P130S Black

Product information

Artikelnummer	4149967
Productnaam	Charcoal grill Metos Parilla P130S Black
Afmetingen	1300 × 900/949 × 1973 mm
Gewicht	450,000 kg

Description

Kopa Parilla is designed with a lifting and tilting grill rack that offers you multiple grilling possibilities. You can easily lift or lower the rack to increase or decrease the cooking temperature. Grill rack consists of removable V-grooved grill racks. The V-groove grate provides a sturdier cooking surface and more even heat distribution than typical wire-grate barbeques. For easy cleaning you can easily remove the grill rack inserts and clean the fire pit.

The grill rack can be inclined up to 25°.

There is also a fixed resting rack above the lifting rack, where you can rest your steaks or preheat bigger chunks of meat before grilling.

- The fire pit is made of fire bricks for heat accumulation and long life
- Black color
- Grill rack dimensions: 930x680 mm
- Top rack dimensions: 1022x374 mm
- Grill rack inclinations: 0°; 6,25°; 12,5°; 18,75°; 25°
- Wheels
- Removable V-groove grids

- Removable Drip pan
