Description

Metos Green Compact PU 2GR espresso machine is a power pack that fits into a small space. The width of this semi-automatic espresso machine is only 580 mm. The compact package has two coffee groups and taps for steam and hot water. The machine is suitable for making specialty coffees, for example in hotels or small cafes. The black side panels and the shiny stainless steel that dominates the front give the cooker a stylish, cool look.

- with two coffee groups, steam tap and a hot water tap
- boiler size 5 liters
- black painted side panels
- black ABS plastic corner pieces protect the machine from knocks
- sturdy stainless steel frame
- front panel in mirror-polished stainless steel
- to facilitate maintenance, the technical components are positioned so that they can be exposed by removing the panels from the top and side of

the device
- manual cleaning
