## Description

Metos Green Club PU 1GR is a semi-automatic espresso machine. Thanks to its compact size and low price, this device with one group is very suitable for a small café or office. The black side panels and the shiny stainless steel that dominates the front give the machine a stylish, cool look.

- with one coffee group, steam tap and hot water tap
- boiler size 4 liters
- black painted side panels
- black ABS plastic corner pieces protect the machine from knocks
- sturdy stainless steel frame
- front panel in mirror-polished stainless steel
- to facilitate maintenance, the technical components are positioned so that they can be exposed by removing the panels from the top and side of

the device
- manual cleaning

DELIVERY INCLUDES:
- two filter holders, one for two cups and one for one cup

ACCESSORIES (to be ordered separately):
- filter holder for POD coffee capsules
- water filter
- barista tool set
- knock-box coffee waste drawer
- espresso bean grinder
