Description

The Metos Xi Presenter has sophisticated modular construction system that allows you to build your own customized wine rack according to your needs.

- Optimal angle of the bottles: moistened cork, air bubble in the bottle shoulder, wine dregs in the bottom corner
- Wine bottles are presented horizontally from the side
- Standard configuration: 17 shelves that can hold 2 + 2 bottles of wine per shelf
- Wooden parts are made of oak; aluminum parts anodized or powder coated in anthracite.
- Used mainly in wine cellars, wine walls and wine cooling rooms
