Coffee ground collector Melitta Nylon 15

Product information

SKU	4136062
Productnaam	Coffee ground collector Melitta Nylon 15
Afmetingen	310 × 535/540 × 549-689 mm
Gewicht	9,500 kg
Capacity	15 kg
Technical information	Drain: ø 50 mm

Description

Coffee grounds separator on extraction slides for tables with bottom/base. With extraction slides (approx. 375 mm extraction), the coffee grounds separator is mounted by bolting it to the lower bottom/base.

An easily accessible arrangement must be ensured for emptying the coffee grounds separator. It must be possible to
extend and retract the coffee grounds separator freely.

The height of the container can be adjusted in its base frame to up to 140 mm for a sufficient downward slope to the waste water connection (max. 200 mm above upper edge of floor/base) at the site. Note that the total height will increase depending on the design.
