Description

Round table-top chafing dish with elegant design and pratical function. The lid is working with hydraulic hinge and this makes it easy to open and close. The capsule-sandwich induction base makes the heating even and fast. Heating by induction or electrical heating plate. Construction in stainless steel 304 with glass lid. Removeable cover for easy cleaning.

Delivery includes one Ø 350 mm pan in stainless steel(extra can be ordered separately).

Accessory:

- ceramic pan
- in 2 sections divided ceramic pan
